30. Expulsion or refusal of entry

30.1 The Match Organiser shall cooperate with the police to ensure that any person that has been refused entry to the Stadium for any reason, or who has been expelled from the Stadium, is not admitted or re-admitted thereafter, and that the person in question is kept well away from the Stadium during the Match, at least until all spectators have dispersed.

SECTION 6: SPECTATOR CONTROL AT THE STADIUM

31. Distribution of beverages

31.1 The Match Organiser shall ensure that:

31.1.1 there shall be no consumption, public sale or distribution of alcohol within the Stadium or its private environment, if it is prohibited by national law;

31.1.2 all drinks which are sold or distributed are dispensed in paper or open plastic containers which cannot be used in a dangerous manner.

32. Limitation of spectator movement

32.1 The Match Organiser shall take measures and appropriate procedures to ensure that spectators cannot move from one sector to another in the Stadium.

32.2 In the event there is more than one group of spectators in a particular sector which operationally can’t be avoided, a division shall be maintained between the spectators by means of an insurmountable barrier or fence controlled by security personnel, or by the creation of a “no-entry area” kept free of spectators and occupied only by security personnel.
33. Public passageways

33.1 The Match Organiser shall take measures to ensure that all public passageways, corridors, stairs, doors, gates and emergency exit routes are kept free of any obstructions, which could impede the free flow of spectators.

34. Doors and gates

34.1 The Match Organiser shall take measures to ensure that:

34.1.1 all exit doors and gates in the Stadium, and all gates leading from the spectator areas into the playing area, remain unlocked and will be controlled by security personnel while spectators are in the Stadium;

34.1.2 each of these doors and gates is attended at all times by a specially appointed steward, to guard against abuse and ensure immediate escape routes in the event of an emergency evacuation;

34.1.3 none of these doors or gates may be locked with a key under any circumstances.

35. Protection of the playing area

35.1 The Match Organiser shall ensure that Participating Players, Participating Officials and Match Officials are protected against the intrusion of spectators into the playing area. This may be accomplished in various ways, subject but not limited to the use of one (1) or more of the following measures, depending on the specific circumstances:

35.1.1 the presence of security personnel in or near the playing area;

35.1.2 moats of a sufficient width and depth;

35.1.3 a seating configuration which situates front-row spectators at a height above the arena which would render intrusion into the playing area improbable, if not impossible;

35.1.4 insurmountable transparent screens or fences, which may either be mounted permanently or affixed in such a way that they may be removed whenever it is felt that their use is not necessary for any particular match.

35.2 Whichever form of protection against intrusion is used, it shall incorporate adequate means for spectators to escape into the playing area in an emergency.
35.3 The type of protection adopted against intrusion shall be approved by the public authorities and shall not represent a danger to spectators in the event of panic or an emergency evacuation.

36. **Closed-Circuit Television System**

38.1 The Match Organiser, together with the Security Officer and the chief police officer or Stadium security officer, shall prevent any provocative action being taken by spectators inside or in the immediate vicinity of the Stadium (e.g. unacceptable levels of verbal provocation from spectators towards players or opposing fans, racist behaviour, provocative banners or flags).

38.2 Should such action arise, the Match Organiser together with the Security Officer and the chief police officer or Stadium security officer shall intervene over the public address system or remove any offensive material.

38.3 Stewards shall draw the attention of the police to any serious acts of misconduct, including racist insults; so that offenders may be removed from the Stadium should the police so decide.

39. **Retention of supporters within the Stadium**

39.1 If the chief police officer or Stadium security officer decides that, for security reasons, a group of supporters should be retained within the Stadium for a period of time while other supporters disperse, the following principles shall be observed:

39.1.1 the decision to retain a group of supporters shall be announced over the public address system in the language of the supporter group concerned;
39.1.2 the announcement shall be repeated shortly before the end of the Match;

39.1.3 the Match Organiser shall ensure that, during this period of retention, the retained supporters have access to refreshments and sanitary facilities;

39.1.4 if possible, the retained supporters shall be entertained (e.g. music, video scoreboard), to help the waiting time pass more quickly and keep them calm; and

39.1.5 they shall be informed regularly of how much longer they may have to wait before being allowed to leave the Stadium.

SECTION 7: Accreditation

40.3 An Accreditation device does not permit the individual to attend a Match or to occupy any seat in the Stadium.

40.4 A background/criminal check shall be performed by the Match Organiser authorities as part of the accreditation process where necessary

40.5 Provision shall be made for the withdrawal (on a temporary or permanent basis) of Accreditation if the holder is acting in a manner that may prejudice the safety and security of others, a criminal act has been committed or suspected to have been committed by the holder, the holder’s actions are prejudicing the smooth running of the event or the holder has breached the Stadium code of conduct.

40.6 Subject to the agreed security concept and approved Accreditation plans, identity cards held by members of the police and other official agencies (including fire and ambulance services) that allow them to carry out operational tasks at the Stadium shall also be regarded as valid permits provided said members are in uniform and clearly identifiable.
