(e) reference to the AFC Commercial Rights Partner or Official Licensees shall include where advised by the AFC, its successors, and permitted assigns and, in relation to the exercise and exploitation of the Commercial Rights; and
(f) all defined terms, unless otherwise stated herein shall bear the same meaning as ascribed in the AFC Statutes, unless the context indicates otherwise.
CHAPTER I: GENERAL PROVISIONS

1. Scope of Regulations
   1.1. These Regulations set out the minimum requirements for a Stadium to be eligible to host Matches in all Competitions.

   1.2. The relevant Competition Regulations, Competition Operations Manual (Manual) or Stadium Technical Annex (STA) may make references to matters which are inconsistent with these Regulations. In such cases, the relevant Competition Regulations, Manual or STA shall prevail and these Regulations shall be deemed amended accordingly.

   1.3. These Regulations do not affect the legal obligations arising from national legislation applicable to Stadia.

2. Certification
   2.1. Each Stadium shall be certified with a Safety Certificate (Certificate) from an appropriate body. The Certificate shall comply with the requirements in the AFC Safety and Security Regulations.

   2.2. The Certificate issued by the appropriate body shall be valid for a maximum of two (2) years and shall be valid on match day.

3. Use of Stadium
   3.1. The relevant Competition Regulations or AFC instructions provide the time periods whereby a Stadium:
      3.1.1. may not be used for any other matches and/or activities; and
      3.1.2. shall be delivered to the AFC as a Clean Stadium.

4. Location
   4.1. A Stadium shall be located in a Venue which has an international airport within a radius of within two hundred (200) kilometers and a journey time of no more than one hundred fifty (150) minutes between the Stadium and the international airport.

   4.2. Otherwise, the Stadium must be in a city which has at least four (4) connecting flights daily from the nearest international airport to the Venue of the Match.

CHAPTER 2: STRUCTURAL CRITERIA

Section 1: Areas relating to the Field of Play

5. Field of Play
   5.1. All Matches shall be played on a:
      5.1.1. natural playing surface; or
      5.1.2. artificial playing surface in accordance with the FIFA Quality Programme for Football Turf.

   5.2. The Field of Play shall have dimensions in accordance with the Laws of the Game.

   5.3. Artificial turf shall:
      5.3.1. be granted the required FIFA license; and
      5.3.2. have a green surface with white lines.

   5.4. The Stadium shall be equipped with the following facilities to ensure that the Field of Play is in Match-condition at all times:
      5.4.1. equipment (e.g. brushes) to assist with the draining of the Field of Play in case of heavy rain;
      5.4.2. equipment (e.g. blowers and shovels) to clear the Field of Play in case of snow; and
      5.4.3. sufficient personnel to react to unexpected adverse weather conditions.

   5.5. The Field of Play shall be:
      5.5.1. equipped with an appropriate watering system; and
      5.5.2. equipped with an appropriate drainage system to prevent flooding.

   5.6. In Stadiums with a moveable pitch, the Host Organisation shall ensure that the moveable pitch is in position by the morning of Match Day-2 at the very latest.

6. Warm-up Area
   6.1. A warm-up area for substitutes shall be made available along the touchlines or behind the advertising boards behind the goal.

7. Goalposts, Crossbars and Spare Goals
   7.1. Goalposts and crossbars shall comply with the Laws of the Game:
      7.1.1. distance between the posts shall be 7.32metres;
      7.1.2. distance from the lower edge of the crossbar to the ground shall be 2.44metres;
7.1.3. goalposts and crossbars shall be white and shall not have any markings, while the sub-posts to support the goal net shall be made available and of a dark colour;

7.1.4. goalposts and crossbars must be made of approved material. They must be square, rectangular, round or elliptical in shape; and

7.1.5. goalposts and crossbars shall not pose any danger to players.

7.2. Spare goals (consisting of goalposts and crossbars), which are easily installed shall be made available within the Stadium.

8. Floodlights

8.1. A Stadium shall be equipped with a floodlighting system with the minimum required level of horizontal illuminance is one thousand two hundred (1,200) Exposure Valve (EV) (lux).

8.2. To ensure that a Match can proceed in the event of a power failure, an independent back-up power supply system shall be provided.

8.2.1. The Host Organisation shall provide details of the emergency lighting source (e.g. time, delay and EV (lux) level) to the AFC;

8.3. The AFC may request a lighting certificate. The AFC may appoint an independent expert to check the level of floodlighting. Host Organisations shall cooperate fully with such inspections.

8.3.1. The lighting certificate shall be issued for a maximum of one (1) year and be valid on the date of a Match.

9. Clocks and Scoreboard

9.1. A Stadium shall have a clock which shows the playing time during the Match.

9.2. The time shall run from zero (0) to forty-five (45) minutes during the first half and from forty-five (45) to ninety (90) minutes during the second half.

9.3. The time shall stop at the end of normal playing time in each half (at forty-five (45) and ninety (90) minutes respectively). This stipulation shall also apply if extra time is played (at fifteen (15) minutes of each half).

9.4. A Stadium shall have a scoreboard which shows the score of the Match at all times.

9.5. The aspect ratio of 16:9 for the video area of the screen is recommended, which may be extended if scoring and substitution details are also to be inserted around the main video content.

10. Control Room

10.1. A Stadium shall have a control room containing a television surveillance system with screen monitors that ensures an overall view of the vicinity inside of the Stadium, subject but not limited to entrances and viewing areas within the Stadium. The Control Room shall be equipped with communication facilities.

11. Team Benches and Fourth Official Bench

11.1. A Stadium shall be equipped with two (2) covered benches (or dugouts) at Field of Play level for both teams each with seating room for at least twenty (20) people, or in accordance with the Team Official Delegation number stipulated in the relevant Competition Regulations.

11.2. A Stadium shall be equipped with one (1) covered bench at Field of Play level for the Fourth Official with seating room and table(s) for at least three (3) people.

11.3. These benches shall be positioned at least five (5) metres from the touchline. Benches placed at Field of Play level shall not obstruct the view of spectators.

11.4. These benches shall be protected by a transparent “Plexiglas-type Shell” against bad weather or objects thrown by spectators.

12. Player Tunnel

12.1. In the event a stadium has a Player Tunnel, it shall be a minimum of four (4) metres wide and a minimum of two point four (2.4) metres high.

12.2. The point where the Participating Players and Match Officials enter the playing area shall be protected by means of a fireproof telescopic tunnel and shall extend into the playing area far enough to prevent the risk of injury to the match participants caused by objects thrown by spectators.

12.3. Such telescopic tunnels shall be capable of being extended or closed quickly so that they may be used during the match when a player is entering or leaving the field, without causing a lengthy viewing obstruction.

13. Flagpoles

13.1. A Stadium shall be equipped with flagpoles within the precinct. The Stadium shall be equipped with facilities to hang flags on the roof structure as instructed by the AFC.
Section 2: Facilities for the Team Official Delegation and AFC Delegation

14. Team Dressing Rooms

14.1. A Stadium shall have minimum two (2) team dressing rooms.
   14.1.1. For ‘double-header’ Matches, a Stadium is recommended to have four (4) team dressing rooms of equal size and comfort.

14.2. Each team dressing room shall be equipped with a minimum of:
   14.2.1. four (4) showers and four (4) individual seated toilets;
   14.2.2. a room that fits and would be able to seat at least thirty (30) persons, sporting attire and clothes-hanging facilities;
   14.2.3. one (1) massage table;
   14.2.4. one (1) tactical board with marker pens and ‘eraser’; and
   14.2.5. one (1) refrigerator.

14.3. Each team dressing room shall be air-conditioned and/or adequately heated, depending on the weather conditions.

14.4. A Stadium shall guarantee a direct, private and protected area which can be accessed by team buses, cars and ambulances, from which the Team Official Delegation can enter or leave the Stadium safely, away from the public, the media and any unauthorised people.

14.5. Access paths designated solely for teams may be shared by the Match Officials.

15. Referee Dressing Room

15.1. A Stadium shall have minimum one (1) referee dressing room which shall be equipped with a minimum of:
   15.1.1. two (2) showers and one (1) individual seated toilet;
   15.1.2. room to seat at least five (5) persons;
   15.1.3. one (1) table and five(5) chairs; and
   15.1.4. one (1) refrigerator.

15.2. The referee dressing room shall be air-conditioned and/or adequately heated, depending on the weather conditions.

15.3. A Stadium shall guarantee direct, private and protected access from the referee drop-off area to the referee dressing rooms and from the referee dressing room to the Field of Play.

15.4. The Stadium shall have designated pathways specifically for Match Officials’ movements around the Stadium to ensure that their safety upon arrival and until their departure is always protected.

16. Office Space and Meeting Rooms

16.1. A Stadium shall be equipped with:
   16.1.1. one (1) room designated as the AFC Secretariat, with seating room for at least five (5) persons (i.e. two (2) tables that can accommodate ten (10) chairs);
   16.1.2. one (1) room for the AFC Commercial Rights Partner with seating room for at least five (5) persons (i.e. one (1) table that can accommodate five (5) chairs); and
   16.1.3. one (1) room for the ball kids and flag bearers with nearby toilet facilities which accommodates at least twenty (20) persons;

16.2. The AFC Secretariat shall be equipped with:
   16.2.1. wireless broadband internet connection;
   16.2.1.1. the internet connection shall be fast, whether wireless or cabled, with a minimum speed of ten (10)Mb/sec, DHCP, and all ports open so virtual private networks can be used;
   16.2.1.2. the provided wireless connections shall be sufficient for up to twenty (20) devices.
   16.2.2. one (1) desktop or laptop computer that is connected to the internet and to a printer. The operating language of the computer and for its software shall be in English;
   16.2.3. one (1) printer as well as all relevant consumables (including without limitation paper, toner and cartridges); and
   16.2.4. one (1) heavy-duty photocopy machine with sorting facilities as well as all relevant consumables (including without limitation paper, toner and cartridges).
   16.2.5. The AFC may alter the specifications and requirements mentioned in Article 16.2.

16.3. The AFC Secretariat shall have easy access and be located near to the team dressing rooms and to the Field of Play

16.4. All rooms shall be air-conditioned and/or adequately heated depending on the weather conditions.

16.5. All rooms shall be in an area protected from the public and Media.

16.6. The AFC reserves the right to amend the requirements of the AFC Secretariat shall it deem fit to do.
17. Storage Facilities
17.1. A Stadium shall have a minimum of one (1) storage room with an area of 10m² (ten square metres) that can be secured with close access to the Field of Play.
17.2. All storage rooms shall be in an area protected from the public and Media.

18. AFC Match Commissioner and AFC Referee Assessor Seating Area
18.1. A Stadium shall have a covered area, with a minimum of three (3) seats, dedicated for the AFC Match Commissioner and AFC Referee Assessor, in an area protected from the public, VIP/VIP and Media.
18.1.1. This dedicated seating area shall be equipped with television monitor(s) to receive the live feed of the Match as instructed by the AFC.
18.2. The AFC Match Commissioner and AFC Referee Assessor area shall be located centrally, as close to the halfway line as possible, and with easy access to the Field of Play, the team dressing rooms and Referee dressing room.
18.3. The AFC Match Commissioner and AFC Referee Assessor area shall be equipped with:
18.3.1. tables and chairs;
18.3.2. power sockets; and
18.3.3. wireless broadband internet connection.
18.4. The AFC may amend these requirements in the event it appoints additional officials and/or individuals.

19. Technical Study Group (TSG) seating area
19.1. The Technical Study Group (TSG) area shall be covered, with a minimum of six (6) seats dedicated for the TSG, which is in protected area from the public and Media.
19.2. The TSG area shall be located centrally, as close to the halfway line as possible, with easy access to the Field of play, the team dressing rooms and Referee dressing room.
19.3. The TSG area shall be equipped with:
19.3.1. table and chairs;
19.3.2. power sockets; and
19.3.3. wireless broadband internet connection.
19.4. The AFC may amend these requirements in the event it appoints additional officials and/or individuals.

20. Parking Area for Team Official Delegation and AFC Delegation
20.1. A Stadium shall provide parking space for a minimum of:
20.1.1. two (2) buses for the teams; and
20.1.2. ten (10) cars for the teams and AFC Delegation.
20.2. Designated parking spaces shall be provided free of charge for the use of AFC and Official Licensees only.
20.2.1. The parking spaces shall be safe and secured and allow easy access to the areas concerned.
20.2.2. To gain access to these parking spaces, the AFC will normally provide a car parking pass to be displayed clearly on the windscreen. Should a Host Organisation prefer to utilise an existing parking pass system, it shall be clear of third-party branding and an example of the parking pass shall be sent to AFC for approval one (1) month prior to the Competition.
Section 3: Facilities for the Broadcaster Licensees and Media

21 Media Centre
21.1 A Stadium shall have one (1) air-conditioned and/or adequately heated media centre which is located on the same side as the Media tribune, press conference room, and mixed zone. It shall be equipped with the following unless otherwise instructed by the AFC:
21.1.1 tables, chairs and internet connection for minimum of seventy (70) persons;
21.1.2 one (1) photocopy machine with all consumables;
21.1.3 pigeonholes for Media representatives; and
21.1.4 information services, catering and transport office, if required by the AFC.

21.2 Host Organisations shall provide a secured room for non-rights-holding broadcasters to store cameras during the Match. These cameras shall be deposited on entry to the Stadium on Match-day and released at the end of the Match.

21.3 There shall be an exclusive access path for Media from the media centre to the press conference room and the media tribune.

22 Media Tribune
22.1 A Stadium shall have a media tribune which shall be completely covered and shall be equipped with the following unless otherwise instructed by the AFC:
22.1.1 minimum fifty (50) seats with desks and twenty (20) seats without desks. It shall be equipped with power supplies and internet connection. The desks shall be big enough to accommodate a laptop computer and note pad.

22.2 The location of the media tribune shall preferably be in a central position and on the same side as the media centre, press conference room and mixed zone.

23 Press Conference Room
23.1 A Stadium shall have one (1) air-conditioned and/or adequately heated press conference room and mixed zone equipped with the following unless otherwise instructed by the AFC:
23.1.1 desks and chairs arranged in classroom style to accommodate minimum seventy(70) persons;
23.1.2 a podium, together with tables and chairs, large enough to accommodate at least five (5) people and a backdrop;

23.1.3 a camera platform sufficiently stable to avoid vibration for ENG cameras;
23.1.4 an audio split box with a minimum of six (6) audio outputs;
23.1.5 a sound system (such as microphones, loudspeakers and, in the case of simultaneous interpretation, booths and headsets); and
23.1.6 sufficient lighting shall be provided to enable Broadcast Licensees to film the press conferences.

24 Mixed Zones
24.1 A Stadium shall allocate a well-lit area for the mixed zone which shall be the pathway to/from the team dressing rooms and the team drop-off area.

24.2 The mixed zone shall be secured and accessible only to the Team Official Delegation, Broadcast Licensees and Media.

24.3 The mixed zone shall be divided into two(2)areas for:
24.3.1 Broadcast Licensees; and
24.3.2 print journalists, radio reporters and non-rights holders.

24.4 A single mixed zone shall be used for both Participating Teams rather than separate mixed zones for home and away teams.

25 Photographers’ Working Area
25.1 Host Organisations shall provide seating for photographers at pitch-side positions, as well as cabled or wireless internet connections.

25.2 In principle, photographers shall work behind the advertising boards behind the goals. If space and safety considerations permits, the AFC may grant special dispensation for photographers to work behind the advertising boards along the touch line opposite the team benches.

26 Internet Connectivity
26.1 Host Organisations shall provide internet connections that are appropriate for the number of media representatives present, in accordance with the minimum levels set out:
26.1.1 minimum 10Mb/s can be shared between the media working area and media seating;
26.1.2 photographers need greater bandwidth than representatives of the written press because of higher upload usage at matches, the upload-download ratio shall also be symmetrical; and
26.1.3 any wireless networks shall be password-protected.

26.2 All internet connections shall be provided free of charge.
27 Camera Positions
27.1 Host Organisations shall provide space for the installation of broadcast facilities. If necessary, this may require the removal of seats, even if this reduces ticket sales. All camera positions and activities are subject to the approval of AFC.

27.2 All camera positions shall have an unobstructed view of the Field of Play.

27.3 A Stadium shall provide at least one (1) main camera platform in the grandstand. It shall be centrally situated and at a height above the pitch which guarantees optimum picture quality.

27.4 The main position shall be exactly in line with the halfway line, these cameras shall be covered and located in a manner that it faces away from the sun.

27.5 The space for the main camera shall be able to accommodate at least three cameras (on a platform at least six (6) metres in length). The cameras shall have a full and clear view of the whole Field of Play, and it shall be available to use them unaltered (e.g. without applying side viewfinders).

27.6 Due to technological advances during a season, new camera equipment may be developed, which may require new positions in a Stadium. Subject to the availability of space and safety and security considerations, such camera positions may be approved by the AFC on a case-by-case basis in consultation with the Broadcast Licensee(s) and Host Organisation.

28 Commentary Positions
28.1 A Stadium shall provide the number of enclosed and air-conditioned rooms which have unobstructed views of the entire Field of Play as commentary positions requested by the AFC.

28.2 The commentary positions shall be located on the same side as the main camera position.

28.2.1 If a non-enclosed position is required by the AFC, there shall be sufficient space to accommodate three (3) commentators per position, with a minimum width of 180cm; the height of the table shall be approximately 75cm and depth preferably 50cm. There shall be access on each side and behind the seats for other commentators to move into their positions;

28.2.2 Sufficient space shall be allowed on the table to accommodate two monitors, a standard commentary box, a phone and papers. Ideally, it shall be able to recess the television monitors into the table and provide chairs at the appropriate height to enable commentators to see the entire pitch and the monitor at the same time.

28.3 Each commentary position requires power jacks and phone jacks which shall be connectable to IDD/ISDN and ADSL. Commentary positions shall have the facility to patch videos from the outside broadcast (OB) van to the commentary position, and to patch audio from commentary positions to OB van.

28.3.1 ADSL lines shall have 512 Kb/sec minimum upload speed, 512 Kb/sec download speed, RJ45 connection, and all ports open.

28.4 There shall be a main and a back-up power supply to the commentary positions.

29 Broadcast Studios
29.1 Host Organisations shall provide space for at least two (2) indoor studios with the following requirements:

29.1.1 minimum five (5) metres long by five (5) metres wide by two point three (2.3) metres high;

29.1.2 contain a presentation studio with a view of the Field of Play.

29.2 In the event a suitable facility does not exist within the Stadium, the Host Organisation shall provide an allocated space for a studio to be constructed, which may entail the removal or non-scale of seats.

29.2.1 Any seats lost and all safety-related approval and security measures are the responsibility of the Host Organisation.

30 Broadcast Compound
30.1 Host Organisations shall provide a clear, solid and even parking area (known as the Broadcast Compound) for Broadcasters’ production vehicles – including OB vans, tender trucks, generators, satellite uplink vehicles, graphics vans and any other technical and support vehicles that may be required.

30.2 A Stadium shall have a Broadcast Compound located on the same side as the main camera position which is at least 600 m2 (six hundred square metres).

30.2.1 Matches with high media interest may require more space than the minimum amounts set out above. In such cases, the Host Organisation shall provide full support to meet any additional needs.

30.3 A Stadium shall supply access to the main back-up power for the Broadcast Compound as required by the AFC.

30.4 The area shall be appropriate for the multilateral and unilateral broadcast operations of the Host Broadcaster and any Broadcast Licensees including up/down-linking to domestic and international satellites and easy access for large vehicles.
30.5 A Stadium shall have adequate office space in the Broadcast Compound for
the technical, administrative and production offices and rooms of the Host
Broadcaster with necessary air conditioning and/or heating depending on the
weather conditions.

30.6 Security shall be provided at all times for all television broadcast areas.

30.7 The Broadcast Compound shall be:
30.7.1 fully secured using high fences (at least two (2) metres high); and
30.7.2 lit to 100 EV (lux) to enable Broadcast Licensees to work at night.

31 Cabling
31.1 Host Organisations shall provide the necessary cabling infrastructure (e.g. cable
routes, cable bridges, trenches) to enable Broadcast Licensees to install all
broadcaster cables safely and securely.
31.1.1 Access to any existing pre-cabled systems in Stadia shall be free of
charge where requested.

31.2 Cables shall not cause any obstruction or be a safety hazard to the Team Official
Delegations or the public. Measures shall be taken to ensure that cables are as
unobtrusive as possible within the Stadium and the area surrounding the Field of
Play.

31.3 Where necessary, cable bridges, cable covers, cable hooks, Stadium dressing
and other means shall be used to make cables safe and secure.

32 Power and Lighting
32.1 Electricity shall be provided by the Host Organisation free of charge.

32.2 The following technical power shall be provided by the Host Organisation in the
relevant positions as stipulated:

<table>
<thead>
<tr>
<th>Indoor and pitch view studios</th>
<th>Up to 12 KW</th>
<th>380V</th>
<th>32A CEE</th>
<th>3ph</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pitch side presentation positions</td>
<td>Up to 3KW</td>
<td>Up to 220V</td>
<td>16A CEE</td>
<td>1ph</td>
</tr>
</tbody>
</table>

32.3 Working lights shall be provided to Broadcast Licensees, which allow work to be
conducted in and around the Stadium before and after the Match.

33 Observer Seats
33.1 On request, Host Organisations shall provide up to thirty (30) observer seats for
Broadcast Licensees with pre-and post-Match roles. These observers shall have
no role during the Match itself.

34 Host Broadcaster Office
34.1 On request, Host Organisations shall provide a small office for the Host
Broadcaster from the morning of Matchday-2 to the end of the Match.

35 Parking Area for Host Broadcasters and the Media
35.1 A Stadium shall provide a minimum of twenty (20) parking places for exclusive
use by the AFC, the Host Broadcaster, and Broadcast Licensees. Such parking
spaces shall be of adequate size to accommodate the technical vehicles of the
Host Broadcaster and Broadcast Licensees.

35.2 All parking spaces for the Host Broadcaster shall be designated in preferential
locations adjacent to, or as close as possible to, the Host Broadcaster working
areas and shall provide direct access to such areas.

35.3 Where the physical configuration of any Stadium does not allow for all such
parking spaces to be situated, a dedicated unilateral equipment and personnel
drop-off point for Broadcast Licensees shall be designated as close as possible
to the Stadium entrance.
Section 4: Facilities for First Aid and Medical and Doping Room

36 First Aid and Treatment Facilities
36.1 The facilities and requirements for the Medical Rooms and Doping Room shall be in accordance with the Manual and any STA.

Section 5: Facilities for Spectators

37 Stands
37.1 Each stand within a Stadium shall be capable of being divided into separate sectors or tribunes, each with its own access points, refreshment outlets and toilet facilities and other essential services, such as spectators’ medical centres, security stations and areas for stewards and marshals.

37.1.1 Barriers which are in accordance with national law and approved by the local authorities shall be used to sub-divide sectors. It shall be possible to see through the barriers.

37.1.2 The barriers shall prevent spectators from moving from a sector or sub-sector to another, unless required for the Stadium evacuation process.

37.2 The use of temporary stands is prohibited.

38 Seating
38.1 All spectators shall be seated. Their seats shall be individual and separated, affixed to the structure (e.g., the floor) and comfortably shaped, with backrests to provide support.

38.1.1 Seats shall be unbreakable, fireproof and capable of withstanding the rigours of the prevailing climate.

38.1.2 There shall be sufficient leg-room between the rows of the seats behind from the row of the seats in front to ensure that spectators’ knees do not touch the seats in front and simultaneously do not obstruct the pathway.

38.1.3 The pathway between the rows of seats shall ensure that there is easy access for spectators to move in and out of the rows even when they are full. To achieve reasonable leg-room, a minimum distance of eighty (80) centimetres from backrest to backrest is recommended.

38.2 Row identification shall be clearly exhibited in the passageways or aisles in an easy-to-find location on the outside of the end seat.

38.3 All seats shall be numbered in a way that makes them clearly, easily and immediately identifiable.

39 Food and Beverage
39.1 The Stadium shall be equipped with refreshment and catering facilities for spectators.
**40 Merchandise Stands**

40.1 Host Organisations provide details of any merchandise stands, including without limitation the type of merchandise being sold and the layout of the merchandise stands in the Stadium.

40.2 Merchandise stands shall be placed in a way that will attract spectators without causing congestion in the Stadium concourses.

40.3 The AFC may decline the placement of merchandise stands in the Stadium.

**41 VVIP and VIP Seats**

41.1 A Stadium shall be equipped with the number of VVIP and VIP seats as instructed by the AFC.

41.2 The VVIP and VIP seats shall be situated in a covered grandstand and as close to the halfway line as possible.

41.3 The VVIP and VIP area shall be strictly controlled and protected from unauthorised persons or cross-over from other groups (e.g. spectators, Media).

**42 Entrances and Exits**

42.1 Entry gates and/or turnstiles shall be designed in such a way as to avoid congestion and ensure the smooth flow of spectators.

42.2 All public passageways and stairways in the spectator area shall be painted in a bright colour, as well as all gates, subject but not limited to the spectator areas, exit doors and gates leading out of a Stadium.

42.3 All exit doors and gates in a Stadium, and all gates in the spectator areas in the Stadium shall be:

42.3.1 fitted with a locking device which may be operated simply and quickly by anyone from the inside in the case of exit doors and gates or from either side in the case of gates leading into the Field of Play; and

42.3.2 designed to remain unlocked while spectators are in a Stadium.

42.4 Approaches to a Stadium shall be adequately signposted (e.g. by means of pictograms) to guide spectators to their sectors and all turnstiles. Entry, exit gates and doors shall be operational and similarly clearly indicated by signs which are universally understood.

42.4.1 Prominent, clearly visible signage that guides spectators to sanitary facilities, concessions, retail outlets, exits and other customer service shall be provided.

42.5 The circulation space available immediately outside the exit gates shall be sufficient to guarantee that spectators are not at risk of being crushed in the event of a stampede and/or in any other circumstances and that the spectators can leave the Stadium comfortably.

**43 Emergency Lighting System**

43.1 Each Stadium shall be equipped with an emergency lighting system approved by the competent local authorities. The emergency lighting system shall be utilised in the event of a general lighting failure in all parts of the Stadium to which the public has access, subject but not limited to all exit and evacuation routes.

**44 Spectator Capacity**

44.1 The minimum spectator capacity shall be five thousand (5,000) unless otherwise stated in the relevant Competitions Regulations.

**45 Public Address System**

45.1 A Stadium shall be equipped with a public-address system (PA) which ensures that messages can be delivered to the public inside and outside the Stadium.

45.2 The PA may only be used for announcements requested by the AFC, referees or local security authorities, as well as for announcements related to the Match (e.g. goal scorers, substitutions, attendance, minimum additional time decided by the referee).

45.2.1 The PA may not be used to disseminate commercial messages (apart from Official Licensee promotions) without the express authorisation of the AFC.

45.3 Host Organisations shall provide an emergency alternative power supply to ensure the PA remains operative without interruption in the event of a power failure for a minimum period of three (3) hours.

**46 Giant Screen**

46.1 The Stadium must have a giant screen that provides optimal viewing for all spectators and in a location which provides no risk to the spectators.

46.2 The giant screen is part of the PA system and shall be used to deliver messages or public announcements in case of an emergency.
47 Sanitary Facilities
47.1 Sufficiently clean and hygienic sanitary facilities shall be distributed evenly throughout all sectors of a Stadium. Seated toilets for all spectators of both genders, as well as urinals, shall be made available in each sector, and shall be equipped with sinks and amenities such as toilet paper and soap.
47.1.1 Private toilet facilities consisting of a single toilet and sink shall be considered throughout the facility, for use by those requiring greater assistance, including disabled people and young children.
47.2 To avoid overcrowding of spectators entering and leaving sanitary facilities, there shall be a one-way access system, or at least doors which are sufficiently wide to permit the division of the passageway into and out of channels.

48 First Aid Facilities
48.1 Fully-equipped first-aid facilities approved by the competent local authorities shall be made available for spectators in each sector of the spectator areas.
48.2 The first aid facilities shall be clearly identified and access shall be clearly signposted.

49 Facilities for Spectators with Disabilities
49.1 A Stadium shall have dedicated access and seats for spectators with disabilities and their helpers.
49.2 A Stadium shall have dedicated sanitary facilities as well as refreshment and catering facilities in the vicinity for this dedicated sector.
49.3 The safety of the visually impaired, blind spectators and disabled people shall be given. In particular, easy access and exit ways, toilet facilities and support services shall be provided.

50 Parking for Spectators
50.1 All parking places shall be on-site, affording spectators direct entrance to the Stadium. The car parks around the stadium shall be brightly lit and clearly signposted, with numbered or lettered sectors. Parking places shall be guarded against illegal intrusion.

51 VVIP and VIP Parking
51.1 There shall be sufficient parking space in the Stadium compound for the cars used by VVIP and VIPs which shall be located near the VIP and VIP entrance which is separated from the public car parks.

Section 6: Facilities for Official Licensees
52 Promotional Areas
52.1 On request, Host Organisations shall provide the Official Licensees with a designated area and certain facilities free of charge in conjunction with their exclusive event sponsorship and/or product supply rights.
52.2 The space provided (minimum eight (8) metres by five (5) metres) shall be in a suitable condition to enable Official Licensees to carry out their promotions.
52.3 If there is a permanent power supply within the designated areas, the Host Organisation shall provide access.

53 Skyboxes
53.1 The AFC has unfettered rights to select the skyboxes it requires to fulfill its contractual obligations.
CHAPTER 3: ADMINISTRATION

54 Taxes and Duties
54.1 Host Organisations are responsible for the payment of all taxes, duties, and other charges payable in relation to the implementation of these Regulations.

55 Fees and Expenses
55.1 Host Organisations are responsible for the payment of all fees and expenses in relation to the implementation of these Regulations, except where expressly identified otherwise in these Regulations or relevant AFC regulations.

56 Indemnification
56.1 Host Organisations shall indemnify, hold harmless and defend the AFC, its officers, members, agents, auxiliary persons, representatives, and employees from and against all liabilities, obligations, damages, losses, claims, demands, recoveries, deficiencies, costs or expenses (including without limitation all attorneys’ fees and expenses) which such parties may suffer or incur in connection with, resulting from, or arising out of any breach by the Host Organisation (including its officers, directors, representatives, auxiliary persons, employees or agents) or any act or omission of the Host Organisation (including its officers, directors, representatives, auxiliary persons, employees or agents) in connection with the performance of its obligations pursuant to these Regulations.

57 Disciplinary Measures
57.1 All disciplinary measures in relation to these Regulations shall be undertaken in accordance with the current AFC Statutes, AFC Disciplinary and Ethics Code, and any relevant AFC circular.

58 Decisions
58.1 All decisions made in accordance with these Regulations, except where expressly identified otherwise, are final and binding and not appealable in accordance with the AFC Statutes.

59 Amendments
59.1 The AFC reserves the right to make amendments to any part of these Regulations for any reason whatsoever. Such amendments shall be duly communicated in due course.

60 Force Majeure
60.1 The AFC Competitions Committee is the only body capable of declaring a Force Majeure event pursuant to these Regulations.

61 Matters Not Provided For
61.1 Matters not provided for in these Regulations shall be decided by the AFC Competitions Committee. Such decisions are final and binding and not appealable.

62 Closing Provisions
62.1 The AFC General Secretariat is entrusted with the operational management of the Regulations and is therefore entitled to make decisions and adopt the detailed provisions necessary for implementing these Regulations.

63 Enforcement
63.1 These Regulations were ratified by the AFC Executive Committee on 31 March 2017 and came into force immediately.

For the AFC Executive Committee:

Shaikh Salman bin Ebrahim Al Khalifa
President

Dato’ Windsor John
General Secretary
